

V-450C Excavator Mounted Vibratory Hammer

Description

V-450C Excavator mounted vibratory hammer belongs to the classification of vibratory hammer. It mainly includes hammer, vice arm and clamp. Nowadays, vibro pile hammer is adapted for sewage maintenance, river bank reinforcement and marshal land operations. In addition, the hammer can strike piles within 10 meters and is suitable for excavator of 40t- 45t heavy. Besides, vibro pile driver is agreeable for steel sheet piles, larson piles, concrete piles and casing piles as well.

Features

1. V-450C Excavator mounted vibratory hammer is easy and flexible to operate.
2. It makes little noise and costs little to maintain.
3. Vibro pile driver is of precise design and reliable performance.
4. The hammer is efficient and effective.

Parameters

V-450C Excavator Mounted Vibratory Hammer	
Hydraulic System Operation Pressure (Bar)	300
Eccentric Moment (kg.m):	8.5
Frequency (r/min):	2400
Centrifugal Force (t):	55
Hydr. Oil flow (lpm):	258

Yong'an Machinery Co., LTD.

Add: No.88 Qing Ao Hill, Haian Haiyang Industrial Park, Wenzhou, China, 325205.

E-mail: sales@yonganvibro.com

Size(W/O vice arm) (mm):	1460*980*2340
Weight (kg):	2050
Vice arm (m):	3.0
Clamp C15 (kg):	600
Suitable excavator (t):	45~50

Matters Should Be Noticed

The weight of excavator should be taken into consideration. And centrifugal force of V-450C excavator mounted vibratory hammer and limit of pile length should also be considered.

Payment and Package

- 1.30% deposit payment should be paid after assigning the contract. Full payment should be paid before delivery.
2. Bare excavator mounted vibratory hammer will be wrapped with thin film or packaged in wooden boxes.

Yong'an Machinery Co., Ltd. is a professional company that integrates the design and development, manufacturing, selling and leasing of excavator mounted vibratory hammer. Market-oriented, our company all along regards "creating customer value" as its final target, serving and satisfying our customers in its utmost. Thus we establish a comprehensive customer service system including pre-sale service, on-purchase service, after-sale service and other services.
